Esq., Eugene Anderson, Esq., Jordan S. Stanzler, Esq., Lorelie S. Masters : Insurance Coverage Litigation
before purchasing it in order to gage whether or not it would be worth my time, and all praised Insurance Coverage Litigation:

The absence of persuasive precedents may prevent some attorneys from framing the effective policyholder arguments in insurance coverage litigation. With Insurance Coverage Litigation, Second Edition, youll discover how the experts analyze the facts to win your next insurance coverage case. This unique resource provides comprehensive examination of the full range of issues shaping insurance coverage cases being heard in the courts todayincluding the publicly available, but hard-to-find industry lore that savvy insurance practitioners use to win complex insurance coverage cases. Whichever side you represent in the billion dollar insurance coverage field, this work contains vital information you cant afford to be without when preparing a case for state or federal court. Insurance Coverage Litigation supplies:Extensive analyses of case law on insurance coverage issues arising under general liability insurance policies.

Sample CGL Policy Forms. The most in-depth discussion of the drafting history of standard-form general liability insurance policy language including language derived from the insurance industry's own representations to the public, governmental agencies, courts and policyholders one of the most powerful tools available to policyholders. Easy-reference tables and state-by-state summaries that help you quickly grasp and compare court interpretations on a broad range of issues including the reasonable expectation doctrine, trigger of coverage and allocation, notice of claim or action, and insurability of punitive damages. Cutting edge analysis and guidance on rapidly evolving areas such as environmental liability, intellectual property disputes, cyber losses and liability, terrorism coverage, and more.

"I wish I had Insurance Coverage Litigation in my library years ago. The text related to coverage for punitive damages provides an excellent and concise review of the multiple aspects that control this issue. And the jurisdictional survey provides the reader with a valuable guide from which appropriate research can be initiated." Robert W. Esenberg, City of Virginia Beach Risk Management Division
