before purchasing it in order to gauge whether or not it would be worth my time, and all praised Insurance Law Settlements and Negotiations: Leading Lawyers on Evaluating the Situation, Determining Settlements vs. Litigation, and Analyzing Frequently Negotiated Issues (Inside the Minds):

Insurance Law Settlements and Negotiations is an authoritative, insider's perspective on successfully negotiating and settling insurance policies and claims. Featuring partners and chairs from some of the nation's leading law firms, these experts discuss strategies for getting the best terms for the deal and guide the reader through the most frequently negotiated items such as price, indemnity, and the scope of release. From understanding the roles of key players involved to strategies for conducting due diligence, these lawyers discuss the structure and features of insurance claims, alternative methods for resolving disputes, common deal killers, protection strategies, and more. These top lawyers give tips on deciding when to settle vs. litigate, obtaining the proper documentation, evaluating contracts, and identifying pitfalls and traps. Additionally, these leaders reveal their strategies for avoiding common mistakes, planning defensively, and keeping abreast of change. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today as these experienced lawyers offer up their thoughts around the keys to success within this ever-changing field of law. Inside the Minds provides readers with proven business intelligence from C-Level executives (Chairman, CEO, CFO, CMO, Partner) from the world's most respected companies nationwide, rather than third-party accounts from unknown authors and analysts. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession, or topic is headed and the most important issues for the future. Through an exhaustive selection process, each author was hand-picked by the Inside the Minds editorial board to author a chapter for this book. Chapters Include: 1. Kim V.
