From American Bar Association : Intellectual Property Deskbook for the Business Lawyer: A Transactions-Based Guide to Intellectual Property Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Intellectual Property Deskbook for the Business Lawyer: A Transactions-Based Guide to

Intellectual Property Law:

This book is a valuable and practical go-to reference for general practitioners, business lawyers, and corporate counsel who need to quickly learn and understand the intellectual property (IP) issues that arise in various business contexts. This third edition is updated and expanded to include two new chapters; updates to existing chapters to reflect recent changes, including the significant changes brought by the Leahy-Smith America Invents Act; and contributions from 20 peer-reviewers. The book contains 20 chapters that are short and readable and include "Traps for the Unwary" and practice tips from over 50 experienced attorneys, two law professors, and a judge.

About the Author Sharon K. Sandeen is a professor of law at Hamline University School of Law and an internationally recognized expert on trade secret law. Prior to becoming a full-time professor in 2002, she practiced law for more than 15 years in Sacramento, California. First, she was a general business litigator at the largest law firm in Sacramento and later as an intellectual property specialist, where her practice included trademark registration and intellectual property litigation.
