before purchasing it in order to gauge whether or not it would be worth my time, and all praised *International Insurance Law Client Strategies: Leading Lawyers on Developing Purchase Strategies and Overcoming Regulatory Challenges (Inside the Minds)*:

*International Insurance Law Client Strategies* provides an authoritative, insider's perspective on key tips for purchasing insurance in a global setting. Featuring experienced partners from law firms across the nation, these experts guide the reader through changes affecting the marketplace and outline the complexities of successfully navigating global insurance. These top lawyers offer specific advice on minimizing problems in global program design, choosing from various types of risk insurance policies, and developing claim strategies. From settling purchasing process conflicts to seeking out transaction guidance, these experts help clients overcome challenges with US regulations and detail the increasing importance of international insurance in the evolution of business and employment. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this dynamic field. *Inside the Minds* provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1. Mark R. Goodman, Partner, Freeborn Peters LLP - "Navigating Ambiguity: Approaches to Dealing with US Regulation of International Insurance" 2. Richard A. Ifft, Partner, Wiley Rein LLP - "Global Insurance Success Requires Careful Coordination of Master and Local Policies" 3.
