The international law bible!By LauraMy team used this extensively in order to come in second internationally at International Environmental Law Moot Court. It's well organized, complete, and points you in the direction of the right cases, articles and reference material.0 of 0 people found the following review helpful. Best textbook on international lawBy James DabneyThis is simply the best textbook on international law that I have found in the English language. I salute Malcolm Shaw for his outstanding work.

The fourth edition of Malcolm Shaw's textbook in international law. Alongside new chapters dealing with human rights and the United Nations, Professor Shaw has incorporated new material on international environmental law, state succession, recognition, the settlement of disputes by peaceful means and international institutions.

'His task of enthusing the reader to explore the subject more fully Professor Shaw executes with vigour ... The exposition is clear and the documentation and bibliography contained in the footnotes will more than satisfy both the student reader and the researcher ... fascinating and enjoyable reading.' Ralf Beddard, British Yearbook of
