Organization for Economic Cooperation and Development OECD : International Migration Outlook 2013
before purchasing it in order to gauge whether or not it would be worth my time, and all praised International Migration Outlook 2013:

OECD's annual International Migration Outlook analyzes recent developments in migration movements and policies in its member countries. Each edition provides the latest statistical information on immigrant stocks and flows, immigrants in the labor market, and migration policies. In addition to all OECD countries, the 2013 edition covers Bulgaria, Latvia, Lithuania, Romania, and the Russian Federation. Two special chapters highlight topical issues: the fiscal impact of migration and discrimination. The publication also features country profiles and a statistical
