From United Nations : International Migration Policies: Government Views And Priorities: Population Studies, No.342 before purchasing it in order to gage whether or not it would be worth my time, and all praised International Migration Policies: Government Views And Priorities: Population Studies, No.342:

This report provides an overview of Government views and policies on international migration for 196 countries, including all 193 Member States, and three non-member States of the United Nations. The report describes Government views and policy intentions related to immigration and emigration, and how these have evolved over time

with changing international migration patterns.
