Dennis Campbell, Distinguished Teaching Professor and Quincy Lee Centennial Professor of Business and Philosophy Robert Solomon : International Securities Law and Regulations (International Business Law) (International Business Law S) before purchasing it in order to gage whether or not it would be worth my time, and all praised International Securities Law and Regulations (International Business Law) (International Business Law S):

With this valuable text securities lawyers from the world's major trading nations offer valuable insights into the workings and legal underpinnings of global securities markets. They examine listing requirements for various stock exchanges and markets, the globalization of mutual funds, the impact of offshore funds, Internet and public offerings, planning and distribution of private securities, requirements for public offerings, disclosure and compliance requirements across international markets, and a great deal more. Published under the Transnational Publishers imprint.

About the Author Dennis Campbell is Director of the Center for International Legal Studies, Salzburg. Robert Solomon is a partner with Solomon Pearl Blum Quinn, New York.
