Bryn Perrins : Intro to Land Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Intro to Land Law:

The aim of this work is to take the main elements of land law and explain each in a systematic way. It shows how different elements of land law combine and interrelate. The book also explains the amount of often confusing specialist language and jargon associated with law. This second edition incorporates the fundamental changes in the law effected by the Trusts of Land and Appointment of Trustees Act 1996 and by the Landlord and Tenant (Covenants) Act 1995, some of the important changes introduced by the Land Registration Act 1997 and the Housing Act 1996, and the changes made by the Treasure Act 1996.
