It helps you understand some basic background on different ethnics groups and the policies in foreign affairs and politics. I recommend this product for anyone who have an interest in the UN, human rights, freedom of speech and others related topics.0 of 0 people found the following review helpful. Bought for class, kept me myself!By stevolutionThis is a rather comprehensive look at both the past and present issues and fundamentals of politics around the globe!

Does democracy mean greater accountability and less corruption? Is press freedom a prerequisite for economic development? Should religious fundamentalists have a greater voice in government? Comparative politics students will benefit from CQ Researcher's award-winning, non-partisan reporting that looks at today s most important

problems, ranging from democratization and regime change to policies on immigration, welfare, and religion. Each essay identifies key players, explores what is at stake, and shows how past and current developments impact the future. Reports include maps, charts, a chronology, and a yes/no feature box.
