Sam L. Amirante, Danny Broderick : John Wayne Gacy: Defending a Monster before purchasing it in order to gage whether or not it would be worth my time, and all praised John Wayne Gacy: Defending a Monster:

0 of 0 people found the following review helpful. Madman, Lunatic, Insane?By marilyn mccormickHe was a loud braggert who exaggerated every story. He was a tireless worker for civic groups and his political party. He rubbed elbows by day with mayors and local politicians. By night, he cruised the city for teenage males willing to accept his free booze drugs in exchange for sex. He was a self-made business owner with a quick smile and a ready handshake.

John Wayne Gacy was a registered clown who cheered up sick children by day, and yet felt no remorse about killing teenage boys by night. Those boys who trusted him and worked for him disappeared and were later unearthed from under the house. The crawl space was so full of bodies, that John Wayne Gacy had to dispose of five bodies into the river, because there was no room left under the house to put more! It's a story told well and comes from the defense attorney, who does his best to uphold his oath as an attorney. It is a book that holds your attention without being overdone with too many gruesome descriptions. Shows us a deceptive, manipulative, mainiac SERIAL KILLER.0 of 0 people found the following review helpful. JWGBY CustomerExcellent trial book from the Defense Attorney's viewpoint. I remember when all of this was going on. Different time, different place. If you like legalities, then this is a good read.1 of 1 people found the following review helpful. Worth the read!By Azelyn MWhile the subject matter can be difficult at times, the book is incredibly well written and gives you a well-rounded view of the man, the trial and the outcome. Worth the read! (especially if criminal justice interests you)

Sam, could you do me a favor? Thus begins a story that has now become part of America's true-crime hall of fame. It is a gory, grotesque tale befitting a Stephen King novel. It is also a David and Goliath sagathe story of a youn

Before Casey Anthony or O.J. Simpson, there was a trial of the century which was arguably more grotesque than the other two combined, especially when considering the body count . . . After more than 30 years, now-Judge Amirante is breaking his silence about the infamous case . . . [the authors] take pains to demystify the man who has been known as the Clown Killer" [and] paint a much more nuanced picture of a deeply conflicted man. (Metro)About the AuthorSam L. Amirante is a retired judge and lawyer. His first case after leaving the Office of the Public Defender was The People of the State of Illinois v. John Wayne Gacy. In 1988, he was appointed to the bench as an Associate Judge of The Circuit Court of Cook County where he served until his retirement in 2005. He is now the principal attorney of the firm of Sam L. Amirante and Associates, P.C. Amirante authored procedures adopted by the Illinois General Assembly such as the Missing Child Act of 1984 (I-SEARCH), which is credited with helping to locate more than 3,000 missing children. Sam lives with his wife and children in Barrington, Illinois.Danny Broderick founded the firm of The Law Offices of Daniel J. Broderick. During his twenty years of private practice, Mr. Broderick represented thousands of persons charged with felony and misdemeanor crimes. Danny has two sons and lives in Lake Zurich, Illinois.
