A. Graeme Auld : Joshua, Judges, and Ruth (OT Daily Study Bible Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Joshua, Judges, and Ruth (OT Daily Study Bible Series):

1 of 1 people found the following review helpful. Five StarsBy gabriel murphyGreat study guide, full of details.1 of 1 people found the following review helpful. Five StarsBy Kenneth ZeckVery useful resource0 of 1 people found the following review helpful. Not what I hoped forBy informednowThese is a study of the above books of the bible but is

written from a theologically liberal basis. The author calls many of the events "stories" and calls into question the authenticity of the biblical account. There are some good historical facts that are helpful, but I cannot trust much of the theological content as I believe in literal interpretation of scriptures. I was disappointed in the book for the above reasons.

The three books considered in this volume constitute the principal biblical witness to Israel's early history. According to A. Graeme Auld, "they tell the story of how under Joshua the land was first taken by Israel and then apportioned to her various tribes. They tell how after Joshua there was a long period of ups and downs; of religious apostasy within the community and repeated harassment from abroad answered by a series of divinely impelled 'Judges' or 'Deliverers.' They offer some samples of life in Israel, 'in the days when the Judges ruled' or 'when there was not yet a king in Israel.'" Carrying forward brilliantly the pattern established by Barclay's New Testament series, the Daily Study Bible has been extended to cover the entire Old Testament as well. Invaluable for individual devotional study, for group discussion, and for classroom use, the Daily Study Bible provides a useful, reliable, and eminently readable way to discover what the Scriptures were saying then and what God is saying today.

From the Back Cover Each Old Testament volume is divided into small study units that can be read and understood easily in only a few minutes a day. About the Author A. Graeme Auld is Professor of Hebrew Bible at the University of Edinburgh School of Divinity in Edinburgh, Scotland.
