John L. Kilgore Sr. : Judge Porter: Notes on One of Indiana's Early Circuit Justices before purchasing it in order to gage whether or not it would be worth my time, and all praised Judge Porter: Notes on One of Indiana's Early Circuit Justices:

Judge John R. Porter, one of Indiana's early circuit judges, traveled across the wilderness on horseback, dispensing justice in one place before riding off to do the same elsewhere across the roughly settled counties of the newly established state. He and others like him, helped to civilize the land and bring the law to the pioneer inhabitants. Judge Porter offers a brief overview of the man's life, his contributions to the state, and his place in history.
