Victor Dewey : Justice Must Prevail before purchasing it in order to gage whether or not it would be worth my time, and all praised Justice Must Prevail:

0 of 0 people found the following review helpful. Five StarsBy George G. FairfaxKnow the author well, very interesting story.

Senator Bair is on a mission to hold accountable key members of the previous administration for violating the US Constitution, US laws and International treaties, and invading a sovereign nation without approval of the United

Nations Security Council. With the Senators leadership a Special Counsel is approved to investigate the charges. An opposition group of retired CIA operatives is trying to stop the Special Counsel activity. On a private trip to Saudi Arabia the former President is arrested in Spain, and transferred to The Hague. Justice is on an international ride through Switzerland, Washington, England, Saudi Arabia, Spain, and the Netherlands until its final heart stopping conclusion.

About the Author VICTOR DEWEY was born in rural Kansas and raised on a cattle ranch. He attended a one-room grade school and graduated from Gridley High School. He graduated from the US Naval Academy in 1962 and was commissioned in the US Army Corps of Engineers, where he served for twenty-two years including two combat tours in South Vietnam. He lived outside the US for over twenty years and has traveled extensively to more thirty-five countries. With his cousin, John Bridwell, he co-authored a family genealogy book, Warners in History in 2004.
