**Dan Kiely : Keep Your Hands Off My Assets** before purchasing it in order to gage whether or not it would be worth my time, and all praised Keep Your Hands Off My Assets:

2 of 3 people found the following review helpful. Dan Kiely provides a wealth of information.By A CustomerAn excellent guide for the layman. Ideas most people don't think of that may be useful preparation for the future. No one expects bad times to come; but they do. This book helps one be financially ready.

Your assets are fair game. Predatory opportunists covet the products of your lifetime of hard work. They may be the

IRS, a former spouse, a client, a patient, a creditor, a government regulator, or a business partner. Creative attorneys and misguided juries are ready to give your assets to someone else. It's like a national lottery but with better odds. In *Keep Your Hands Off My Assets*, Dan Kiely deals comprehensively with the areas of exposure and the numerous tools available to protect you from these predators. Become proactive. Build a legal firewall between your assets and society's predators.

**About the Author** Dan Kiely has over thirty years of experience in the real estate field and serves as CEO of Strategy Corporation International. Mr. Kiely was formerly CEO of a publicly traded REIT, of a publicly traded bank holding company, and of a publicly traded real estate development and syndication firm. Dan is the author of numerous books and articles on asset protection, is a frequent speaker on the subject, and delights in helping to protect those who are financially exposed. Mr. Kiely's contacts in the industry provide a constant flow of opportunity for investment. He received his law degree (JD) from Stanford University, where he was business editor of the *Stanford Journal of International Law*, and his BA from the University of Colorado. Mr. Kiely is the author of many books and articles on asset protection and international business structures and is uniquely qualified to deal with the complexities of financial privacy and international structure. His latest book, *Where Have all the Havens Gone?*, will be available in 2016.
