Lorelei Anne Lambert Colomeda, Lorelei Anne Lambert Colomeda : Keepers of the Central Fire Issues in Ecology for Indigenous Peoples: Issues of Health and Ecology for Indigenous People (Pub. (National League for Nursing).) before purchasing it in order to gage whether or not it would be worth my time, and all praised Keepers of the Central Fire Issues in Ecology for Indigenous Peoples: Issues of Health and Ecology for Indigenous People (Pub. (National League for Nursing).):

3 of 3 people found the following review helpful. It turns you upside downBy A CustomerLori A. Colomeda has come up with a book which challenges *our euro-centred* mind. She's the kind of person you wish to do the studies she does: compassionate and scientific at the same time. Environmental and women's health have never been brought together as in this book. Rachel Carson looked at mainland America, Lori Colomeda's focus goes a bit further up

North, but nonetheless, she tells us as horrific stories as Rachel Carson did way back in 1962.
