Philip R. Wood : Title Finance Derivatives, Securitisations, Set-Off and Netting (Law and Practice of International Finance Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Title Finance Derivatives, Securitisations, Set-Off and Netting (Law and Practice of International Finance Series):

This work takes an in-depth look at the law and practice of these areas of international finance, across all the world's major groups of jurisdictions. Examining relevant national statute law, offering a set of outline agreements, and drawing important comparisons between countries, it provides a major step forward in the treatment of this rapidly developing area of law.* Authoritative and in-depth treatment of the subject* Includes comparative international coverage
