Mr. Elmer Gertz : To Life: The Story of a Chicago Lawyer before purchasing it in order to gage whether or not it would be worth my time, and all praised To Life: The Story of a Chicago Lawyer:

Elmer Gertz has defended famous peopleincluding Henry Miller, Nathan Leopold, and Jack Rubyand he has become famous in his own right through his struggle for civil liberties and personal rights.Gertz has taken on a lengthy list of

cases and causes over the six decades of his legal career. He fought successfully against the censorship of Henry Millers book *Tropic of Cancer*, which had been banned in Chicago for obscenity. He got Nathan Leopold released from prison after Leopold had served 34 years for his part in the death of 14-year-old Bobby Franks. An ardent foe of the death penalty, Gertz labored for years as part of a national team of lawyers that was finally able to overturn Jack Rubys death sentence for the murder of Lee Harvey Oswald. Gertz's cases have helped make libel law in the nation. For this edition, Gertz adds an afterword that covers the 15 years since the books first publication. Gertz talks of Henry Millers last days and his travels to the USSR on behalf of the Refuseniks.

About the Author Elmer Gertz has been practicing law since 1930 and is an Adjunct Professor at the John Marshall Law School in Chicago.
