**Nigel Eastaway, etc. : Tolley's Taxation of Lloyd's Underwriters** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tolley's Taxation of Lloyd's Underwriters:

A study of the taxation of Lloyd's underwriters, providing guidance on the tax treatment, tax compliance and tax planning of names under the much-altered Corporation of Lloyd's taxation regime. It covers all the technicalities of the subject and the text is designed to make locating information simple, with cross-referencing.
