**Mark Lunney, Ken Oliphant : Tort Law: Text and Materials** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tort Law: Text and Materials:

0 of 0 people found the following review helpful. Bad bad badBy JudyBad explanatory technique in writing, having many attempts to raise questions without providing answers, coping from a lot of sources but failing to paraphrase to the point0 of 0 people found the following review helpful. Great Easy Reading Common Law Torts Textbook!By Dr. Steve J. Moffett, Sr.This is required reading for me, but I find it easy to read and easy to follow.I have read other tort law books (Prosser and Keaton on Torts) Text and Casebooks, but this one is the BEST I have read. I don't have to re-read EASY TO UNDERSTAND!1 of 2 people found the following review helpful. Good textbook!By Lang Lamit's a

good textbook on Tort. If its Kindle version can be enabled with text-to-speech feature, it will be very great then.

The fifth edition of this celebrated book brings together a selection of carefully chosen extracts from cases and materials with insightful author text. Each section begins with a clear overview of the law, followed by illustrating extracts from case law and from government reports and scholarly literature, which are supported by the authors' expert explanation and analysis. Opportunities for further research are highlighted by the many suggestions for additional readings that are woven throughout the text. This approach enables students to gain a rich and contextual understanding of the law of tort.

from previous edition: "Lays out clear and concise explanations which are easy to follow and understand. This really is a must for any students attempting to understand the law of tort." --Student Law "The best tort text available." --Dr Clare McIvor, University of Birmingham
