Russell L. Weaver, John H. Bauman, John T. Cross, Andrew R. Klein, Edward C. Martin, II Paul J. Zwier :
Torts: Cases, Problems, and Exercises (2013) before purchasing it in order to gage whether or not it would be worth my time, and all praised Torts: Cases, Problems, and Exercises (2013):

Designed as a "teacher's book," the fourth edition of Torts: Cases, Problems, and Exercises contains thought-provoking problems designed to stimulate interesting classroom discussion. The problems are designed to help students learn doctrine, to illuminate trends in the law, and to ultimately produce better learning. A secondary goal was to include a "skills" component, with problems that place students in situations that they are likely to encounter in

practice to encourage students to think about how they might handle these situations.
