**From National Defense University : Toward a Theory of Spacepower: Selected Essays** before purchasing it in order to gage whether or not it would be worth my time, and all praised Toward a Theory of Spacepower: Selected Essays:

6 of 6 people found the following review helpful. Rip-offBy A Fan of the MoonThe original, complete version of this book is available as a (free) PDF download

here:<http://ndupress.ndu.edu/Portals/68/Documents/Books/spacepower.pdf> That version has 594 pages. The version sold here is half as long, only 348 pages. If I had known that half the book was excised from this version, I would never have ordered it.

Contains commissioned papers on ways to extend, modify, refine, and integrate a broad range of viewpoints about human-initiated space activity, its relationship to our globalized society, and its economic, political, and security interactions. NOTE: NO FURTHER DISCOUNT. Significantly reduced in price. Overstock List Price.
