Insurance Covers the Cost:

A primer on toxic mold, covering the mechanics and details of how mold-related damages are discovered, identified, remediated, repaired, insured, litigated, negotiated and settled. Uses government safety/clean-up guidelines, standard insurance policy language, current case studies and analysis of black-letter law to give the reader a thorough understanding of this risk. And practical tips on how to manage it.

About the AuthorThe Silver Lake Editors have been writing books about risk and personal finance issues for more than a decade. Their other books include "CRAMDOWN: Renegotiating Mortgages..." and the national bestseller "Identity Theft." These books are designed to give careful consumers the tools they need to make smart decisions about their lives.
