Harvey J.; Pitofsky, Robert; Wood, Dia Goldschmid : Trade Regulation: Case and Materials (Fourth Edition)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Trade Regulation: Case and Materials (Fourth Edition):

0 of 2 people found the following review helpful. Why not to buy this bookBy A CustomerIf you're thinking about using this book to take Goldberg's Antitrust class at Columbia Law School - fuggetaboutit! The class is mostly economics not law, is extremely boring, and involves lots of reading. C.D.A. '990 of 3 people found the following review helpful. great class and bookBy A CustomerGoldschmid's class at Columbia law school was fantastic! During the three years I attended law school no one was more helpful and caring than Professor Goldschmid. I suggest the book- but really, this review is for his class.
