**Joe Shannon : Transportation Law Rights Injuries** before purchasing it in order to gage whether or not it would be worth my time, and all praised Transportation Law Rights Injuries:

Don't let an automobile crash disrupt your family economy. In this book, attorney Joseph Shannon shares practical tips on how to make up the ground you have lost. With lessons from his years working in the field, Joseph takes you step-by-step from the scene of the crash to finding your attorney, and preparing you to put you back to where you were before the crash. Joseph Shannon is the principal attorney for Shannon Law Group, P.C., a Chicago-based firm out of Woodridge, Illinois. For twenty years, Joseph and his team have specialized in helping car crash victims recover from insurance companies, major shipping and logistics companies, and other major players in the transportation industry. By this book, he wants all crash victims to be as prepared as his own clients.
