Christopher Carey : Trials from Classical Athens (Routledge Sourcebooks for the Ancient World) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Trials from Classical Athens (Routledge Sourcebooks for the Ancient World):

2 of 2 people found the following review helpful. It makes a great casebook, whether you're interested in the legal or ...By JohnAn outstanding collection of Athenian courtroom speeches, all translated into English. It makes a great

casebook, whether you're interested in the legal or classical studies component. 1 of 1 people found the following review helpful. Very good book
By FraIf you are interested in Ancient Law this is a very good book to start. It contains great law suits speeches written by Lysias, Demosthenes, and many other authors from Ancient Greece.

The ancient Athenian legal system is both excitingly familiar and disturbingly alien to the modern reader. It functions within a democracy which shares many of our core values but operates in a disconcertingly different way. *Trials from Classical Athens* assembles a number of surviving speeches written for trials in Athenian courts, dealing with themes which range from murder and assault, through slander and sexual misconduct to property and trade disputes and minor actions for damage. The texts illuminate key aspects both of Athenian social and political life and the functioning of the Athenian legal system. This new and revised volume adds to the existing selection of key forensic speeches with three new translations accompanied by lucid explanatory notes. The introduction is augmented with a section on Athenian democracy to make the book more accessible to those unfamiliar with the Athenian political system. To aid accessibility further a new glossary is included as well as illustrations for the first time. Providing a unique and guided introduction to the Athenian legal system and explaining how the system reveals the values and social life of Classical Athens, *Trials from Classical Athens* remains a fundamental resource for students of Ancient Greek history and anyone interested in the law, social history and oratory of the Ancient Greek world.

In all respects Christopher Carey's new collection is a sourcebook well-conceived... this is a text that is likely to see many printings. Bryn Mawr Classical Carey's selection of speeches is excellent ... Ideal for course in Athenian law. Religious Studies
About the Author
Christopher Carey is Professor of Greek at University College London.
