An excellent book, historicallyBy Cris MelendezAn excellent book, historically, of female Police Officers who have lost their lives in the Line of Duty. Great tribute to the Officers. May they all Rest in Peace. Excellent keepsake for their families and those who knew and loved them. Hoping for an updated 2nd edition!1 of 1 people found the following review helpful. Book reviewBy TorRThis book was bought for my husband. His mother was a South houston police officer who was killed in the line of duty. Her name is in this book so we wanted it for our kids.

Describes the circumstances and events which led to the 138 women law enforcement officers who died in the line of duty, the identity of their perpetrator(s), and the deposition of the case, with a biography and photo of each officer and their descendants. Author Dr. William Wilbanks carefully researched each case and unveiled the mystery of unsolved

deaths.
