Kenneth White, Yegor Stotskiy : U.S. Immigration and Citizenship (Russian Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised U.S. Immigration and Citizenship (Russian Edition):

Written by the leading lawyers at the American law firm White Associates, "U.S. Immigration and Citizenship" answers important questions regarding immigration and citizenship in the United States. This easy-to-read, Russian-

language book demystifies the immigration process, explaining the various immigration categories, addressing common mistakes made by applicants, and detailing the processes necessary for receiving a green card. Kenneth White is a long-time resident of Moscow who has extensive experience assisting Russians and other citizens of CIS countries who are immigrating to the U.S. Drawing on Mr. White's expertise, this book provides insight that is crucial for anyone seeking to immigrate to the United States.

About the Author Kenneth White, Esq., is the Managing Partner of the American law firm White Associates. He has assisted thousands of Russian and other citizens of CIS countries obtain U.S. nonimmigrant and immigrant visas; is the only American lawyer to win a visa-related lawsuit against the U.S. Embassy in Moscow; has authored dozens of visa-related articles and the book *U.S. Nonimmigrant Visas*; and was the first American lawyer to open his own office in Moscow after the collapse of the Soviet Union. He has worked in all three branches of government: the State Department, Congress, and the Superior Court of Washington, D.C. Mr. White is fluent in the Russian language; an Honors graduate of the George Washington University National Law Center; and a member of the American Immigration Lawyers Association, the Invest in the U.S.A.
