From Marine Corps : U.S. Marines In The Gulf War, 1990-1991: Liberating Kuwait before purchasing it in order to gage whether or not it would be worth my time, and all praised U.S. Marines In The Gulf War, 1990-1991: Liberating Kuwait:

2 of 2 people found the following review helpful. Through the Breaches: U.S. Marines in the Gulf War 25 Years LaterBy MotownThis fine book is a concise history of U.S. Marines in Operations Desert Shield and Desert Storm. Although a military history, the author does a good job of "setting the stage" to explain why the United States intervened. All facets of Marine operations are detailed: planning, air, ground, logistics, and seaborne. The work is heavily illustrated including color photographs, works by superb combat artists, maps, and informative comparative charts. Highly recommended for Gulf War veterans who wish to see "the big picture" and a good addition to any collection about the Marine Corps or the Middle East.1 of 1 people found the following review helpful. Five StarsBy J. D. A.Good history of USMC in first Gulf War. Lot's and lot's of photographs.1 of 1 people found the following review

helpful. Five StarsBy CustomerIncredibly detailed
