From Blackstone Press : UK and EC Competition Documents (Blackstone's Statute Book Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised UK and EC Competition Documents (Blackstone's Statute Book Series):

This new edition of UK and EC Competition Documents provides a comprehensive, portable, and affordable

collection of all relevant primary and secondary UK and EC Legislation. It has been fully revised and updated to include all recent primary and secondary legislation of the United Kingdom and European Community, including all recent treaty provisions, Regulations, and Commission Notices. As there is no commentary, this book is ideal for use in examinations.
