**Jeffrey M. Hirsch : Understanding Employment Law (2013)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding Employment Law (2013):

0 of 1 people found the following review helpful. Five StarsBy dixie lorettabought for my college student, had it not been okay, I would have heard

Understanding Employment Law strikes a balance between comprehensiveness and selectivity. It provides the substantive material needed to succeed in practice and in the classroom and on final examinations, without overwhelming the reader with details that are unduly esoteric or tangential. The book begins first with common-law employment doctrines such as employment-at-will, employment contracts, employment torts, workplace privacy issues, and restrictive covenants. It then turns to federal and state statutory regulation of the workplace, covering topics

such as compensation (including wage and hour legislation and unemployment insurance), employee benefits (including leave time, pensions, and health insurance), and workplace safety legislation.
