Kevin R. Johnson, Raquel E. Aldana, Bill Ong Hing, Leticia Saucedo, Enid Trucios-Haynes : Understanding Immigration Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding Immigration Law:

1 of 1 people found the following review helpful. Excellent!By YaboThis is an excellent book. Take note that it is going to teach you about the entirety of immigration law in general. That means that it is not going to teach you how to do any particular immigration application in detail. Also, the introductory essay on illegal immigration is fascinating.0

of 0 people found the following review helpful. Five StarsBy Aramis Milan Palomoperfect!2 of 3 people found the following review helpful. Very imformativeBy rozzyI am enjoying this textbook very much. It is very informative and I am learning a lot about the subject of immigration which I have limited knowledge about. This textbook comes highly recommended.

Understanding Immigration Law lays out the basics of U.S. immigration law in an accessible way to newcomers to the field. It offers background about the intellectual, historical, and constitutional foundations of U.S. immigration law. The book also identifies the factors that have historically fueled migration to the United States, including the economic "pull" of jobs and family in the United States and the "push" of economic hardship, political instability, and other facts of life in the sending country. In the middle chapters, the authors provide a capsule summary of the law concerning the admissions and removal procedures and criteria in the Immigration and Nationality Act. The book ends with a chapter speculating about the future of U.S. immigration law and the challenges and opportunities facing the nation. This book provides a comprehensive overview of U.S. immigration law. It has been designed to supplement the most widely adopted immigration law casebooks.
