**John Hills : Unravelling Housing Finance: Subsidies, Benefits, and Taxation** before purchasing it in order to gage whether or not it would be worth my time, and all praised Unravelling Housing Finance: Subsidies, Benefits, and Taxation:

This book examines the system of housing finance and the way in which governments affect it by analysing topics such as: subsidies to council housing and housing associations; housing benefit for those with low incomes; tax concessions for owner occupiers; and other subsidies like the right to buy, or improvement grants.
