Andrew M. Borene : US Intelligence Community Law Sourcebook before purchasing it in order to gage whether or not it would be worth my time, and all praised US Intelligence Community Law Sourcebook:

Now updated for 2013, this acclaimed resource is your complete guide to important national security law source material, now including the full text of President Obama's 2013 speech at the National Defense University related to national security and the rule of law. In it you'll also find: Relevant federal statutes, intelligence authorization acts, and

executive orders Attorney general and the director of national intelligence guidelines Proposed significant legislation affecting the U.S. intelligence community Annually updated with feedback we receive from leading national security law practitioners, this comprehensive collection of the laws, rules and regulations governing the United States Intelligence Community, and the carefully chosen context material is an invaluable resource for lawyers, academics, journalists and corporate officers alike.

About the Author Andrew M. Borene is Director and Assistant General Counsel for Government Industry Affairs at ReconRobotics, Inc. Borene is a former Associate Deputy General Counsel with the U.S. Department of Defense and has taught as adjunct faculty at the University of Minnesota. He lives in Edina, MN.
