William E. Butler : Uzbekistan Legal Texts: The Foundation Of Civic Accord (Cis Legal Texts Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Uzbekistan Legal Texts: The Foundation Of Civic Accord (Cis Legal Texts Series):

This important volume contains an extensive collection of Uzbekistan legal texts translated and edited by the eminent scholar William E. Butler. All material is translated anew and is prefaced by an introductory note on the legislative history of each enactment and by a contextual observation. The documents translated in this volume have been chosen for their fundamental importance in understanding the Uzbekistan State structure and legal system. All are in force, and there is a strong emphasis on those enactments of key importance to the foreign investor. The broad scope of this work will provide the practitioner, legal scholar, government legal adviser, and student with an excellent reference tool for understanding contemporary Uzbekistan legal structures. This is the third volume in the CIS Legal Texts Series edited by William E. Butler.
