An excellent complimentary volume to Penal Law and Criminal Procedure of the State of New York, Vehicle and Traffic Law of the State of New York provides the reader with a complete collection of New York statutes relating to Motor Vehicles. Readers will appreciate the ability to reference these commonly-used statutes anywhere, and the durable binders are at home in both the courtroom and the patrol car. Appropriate statutes contain tables of fines, contributing to the excellence of this publication as a field manual. A table of new statutes and a full index is included. This versatile volume is also available in a portable Loose-leaf version.
