Danford Mike Danford : Vern Miller: Legendary Kansas Lawman before purchasing it in order to gage whether or not it would be worth my time, and all praised Vern Miller: Legendary Kansas Lawman:

3 of 3 people found the following review helpful. Vern Miller: Legendary Kansas Lawman by Mike DanfordBy Judi1115I purchased the book "Vern Miller: Legendary Kansas Lawman" because I grew up in the Wichita area and was interested in all of Mr. Miller's accomplishment. Mike Danford, when writing the book, included many old photos of incidents and events that made news during Mr. Miller's professional years from Sheriff to Attorney General. It is a good book to read whether you grew up in the Wichita area or not. Mr. Miller has had an interesting and successful

career.0 of 0 people found the following review helpful. SupersheriffBy mcdtusWell done biography but with an appeal probably limited to those who know Mr. Miller or know of him through personal contacts or the many articles written about him in the local newspaper. The author covers many of Miller's incidents but hasn't written about some other newsworthy incidents. I recall reading about him waiting in the garage at a home on East Douglas for a burglar to break into the home to be arrested by the surprised burglar. Too bad he wasn't able to catch on the BTK killer or stop the Carr brothers from what they did.0 of 0 people found the following review helpful. I enjoyed the book.By Harold L VarnerThis is one book I have read in so time. I enjoyed it it brought back so memories.seeing that I am an acquaintance some of the subjects in the book. I enjoyed it very much.

Early in his young adult life, Vern Miller recognized that laws provide the fabric of society; he wanted to be a part of it. As a boy he aspired to be a warrior, and now as an elder statesman in the field of justice, he's still a champion for the underdog. In this inspirational memoir, author Mike Danford tells the story of a unique lawman whose escapades and charisma are now legend in the state of Kansas. With more than fifty years in law enforcement, Vern Miller rewrote the book on justice and public service: pursuing criminals with the same gusto he pursued order, social fairness, and public service. Vern Miller: Legendary Kansas Lawman narrates the life of this one-of-a-kind man-from his school days at Wichita North High School, to his U.S. Army service in Korea, to his three decades of public service work with two stints as Attorney General, and his twenty-five years practicing law. Filled with photographs, this is a memorable portrait of a rare American and a true hero of the law. Vern Miller: Legendary Kansas Lawman emphasizes Vern's fascination with the rules and demonstrates the commitment of law enforcement officers everywhere to upholding the law.

About the AuthorMike Danford was born on a working ranch in the hill country of central Texas, grew up in Wichita, Kansas, and spent his career working in corporate America. Danford began writing after his retirement.
