before purchasing it in order to gage whether or not it would be worth my time, and all praised Visas Without Fear -  
Us Immigration Unveiled: A Foreigner's Perspective and Experience:

This book was written to eliminate the "Fear" of US Immigration and the complexities of the US Immigration System.  
The specific intention and objective is to 'UNVEIL' the U.S. Immigration System, provide Tips and guidance to

Foreigners that will reduce the 'FEAR. To give insight for the correct behavior that may influence the 'approval or denial' decision. The broken, yet complex, US Visa and Immigration System, intimidates and frustrates most Foreigners, from finding the correct US Consulate for the first interview appointment to completing the process. This book is written by Foreigners for Foreigners, professionals, lawyers and individuals. The content of this book represents the personal experiential knowledge and perspective of two Foreigners a USA Citizen as contributor, family and acquaintances. The experiences of many individuals and families interviewed by the authors are also reflected. The Author's US Immigration experiences involve some 8+ years of filing, researching, communicating, interviews, and processing at several different US Consulates outside the US and with different Immigration offices inside the US. Dealing with seven law firms, including winning a malpractice case against one firm, provided deep insight and first-hand experience into the US Immigration System. The authors met and interviewed many Foreigners, with their own personal Immigration experiences, pursuing their Dreams to visit or immigrate to America.

About the AuthorThe husband and wife team of Jack L. Vaughn CPA and C. La Vaughn PhD have a combined 91 years of business and investment experience with several countries cultures throughout the world. This experience includes evaluating business and investment opportunities for themselves and other, starting their own companies, helping others start their own companies, conducting marketing evaluations and creating marketing plans, creating new products for themselves, assisting others with creating new products, importing and exporting different products, developing legal and operating structures for investments and businesses and performing due diligence procedures for themselves and others. As reflected in their previous book entitled "Visas Without Fear, US Immigration Unveiled" both have over 9 years experience dealing with the US Immigration System. In addition, C. La Vaughn has in depth experience with Immigration Systems in at least 25 other countries. This book provides detailed guides, procedures and specific 'Tips' for a Foreigners "Dreaming of" or desiring to invest or conduct business in America. What makes this book unique is the fact that it is written from a Foreigner's perspective, not from a US Citizens perspective. In their years of experience, the Authors have consulted with Foreigners, who have invested or done business in America. Reading this book will provide the Foreigner with a step by step guide for obtaining the proper investment or business US Visa. In addition, the Foreigner will identify investment and business factors that are different in the US as compared to other countries throughout the world. Specific procedures are provided to enable the Foreigner to conduct evaluations, decide on structures and perform the necessary due diligences to minimize the risks of investing or doing business in the US.
