Judith B. Prowda : Visual Arts and the Law: A Handbook for Professionals (Handbooks in International Art Business) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Visual Arts and the Law: A Handbook for Professionals (Handbooks in International Art Business):

0 of 0 people found the following review helpful. Five Stars By Cat Excellent book. Easy to understand and covers basics needed in the Rt dealing world 0 of 0 people found the following review helpful. Excellent! By AM Excellent book, great examples and easy to read even if you are not a lawyer. I would say it is a must for every person involved

in the arts and museums world.0 of 0 people found the following review helpful. Outstanding contribution to legal literature
By Paula Frosch
An outstanding contribution to the legal literature on this very timely topic. The book is scholarly, well written and expertly researched. It could well become the classic work for legal scholars in the field.

This essential handbook offers art professionals and collectors an accessible legal analysis of important principles in art law, as well as a practical guide to legal rights when creating, buying, selling and collecting art in a global market. Although the book is international in scope, there is a particular focus on the US as a major art centre and the site of countless key international court cases. This authoritative but accessible and wide-ranging volume is essential reading for arts advisors, collectors, dealers, auction houses, museums, investors, artists, attorneys and students of art and law.

About the Author
Judith B. Prowda is Senior Lecturer at Sotheby's Institute of Art-New York and an internationally acclaimed attorney-at-law in New York City focussed on intellectual property, art law, as well as mediation and arbitration. She has contributed articles and chapters to many legal publications.
