**F. M. Brookfield : Waitangi Indigenous Rights: Revolution, Law Legitimation** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Waitangi Indigenous Rights: Revolution, Law Legitimation:

This landmark study examines issues surrounding New Zealand's Treaty of Waitangi, focusing on recent Fiji

revolutions and indigenous customary rights to the seabed and foreshore. In this revised edition, the author approaches these complex and controversial matters with a careful, thorough, and principled approach while dealing with the broad constitutional issues and responding to comments made by other scholars. This study will serve as an essential tool for those working in the area and for those engaged in this contemporary debate.
