Thomson West : West's Illinois Vehicle Code, 2012 ed. before purchasing it in order to gauge whether or not it would be worth my time, and all praised West's Illinois Vehicle Code, 2012 ed.:

This is your convenient, up-to-date reference source for Illinois vehicle laws. Law enforcement officials and attorneys alike will find this inexpensive volume complete, yet portable. All of Chapter 625, Vehicle Code, can be found in this one volume, complete through the most recent Illinois legislative session. Miscellaneous related laws such as Unclaimed Abandoned Vehicles, Boat Safety, Transportation of Hazardous Materials, and more are also included.
