Mark Dennison : Wetland Mitigation: Mitigation Banking and Other Strategies for Development and Compliance before purchasing it in order to gage whether or not it would be worth my time, and all praised Wetland Mitigation: Mitigation Banking and Other Strategies for Development and Compliance:

Avoid or minimize expenses or delays when you develop projects in wetland areas. This practical reference explains the regulations and provides guidance on mitigation requirements and the permitting process. You'll learn everything you need to know about evaluating, selecting, negotiating, and implementing the various mitigation measures available.
