William Eaton : Who Killed the Constitution?: The Judges V. the Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Who Killed the Constitution?: The Judges V. the Law:

0 of 0 people found the following review helpful. This is one of the best books ever written on the Constitution By Tigger This is one of the best books ever written on the Constitution. I am thrilled to see it back in print! I wish, however, they would add more current cases in a new edition, but for the history of how cases have influenced the interpretation of the Constitution and moved us away from the Constitution, this book is invaluable.

Eaton argues that the Supreme Court has outgrown the Constitution and betrayed the Framers' formula for a government of checks and balances.
