Mark N. Stageberg : Win Some Lose Some - The Trials and Tribulations in the Career of a Trial Lawyer before purchasing it in order to gauge whether or not it would be worth my time, and all praised Win Some Lose Some - The Trials and Tribulations in the Career of a Trial Lawyer:

0 of 0 people found the following review helpful. A Must Read for Every Trial Lawyer By Brendan R. Tupa Honest, inspiring, and insightful, Win Some Lose Some tells the story of an insurance defense lawyer turned advocate for injured people. Filled with a Minnesota lawyer's career of war stories with clients, other lawyers, and judges, both inside and outside the courtroom, Mark Stageberg shares fascinating details about his 40 plus years as a trial lawyer.

Every lawyer, especially those in Minnesota, will appreciate Stageberg's insights, experiences, and litigation experiences. All in all, an easy, entertaining read, especially for Minnesota trial lawyers. 0 of 0 people found the following review helpful. Fantastic insight into what it is like to be a ...By Ryan Fantastic insight into what it is like to be a civil trial lawyer. Really enjoyed reading his war stories and found it very entertaining, but also incredibly informative for a young civil trial lawyer about the realities of the process that are not taught (or even touched on) in law school. 1 of 1 people found the following review helpful. Win Some, Lose Some is a fine delve into law and those who practice it, very much recommended. By Midwest Book Review The challenge of a trial lawyer often can come off as a competition, but one must always remember real lives hang in the balance. "Win Some, Lose Some: The Trials and Tribulations in the Career of a Trial Lawyer" is the memoir of career civil trial lawyer Mark N. Stageberg, as he reflects on what faces you as a lawyer both as a lone practitioner and as part of a firm. He speaks on representing smaller people as well bigger interests, and much more. Pulling no punches, "Win Some, Lose Some" is a fine delve into law and those who practice it, very much recommended.

In this autobiographical work, Mark Stageberg describes the many colorful adventures of his broad legal career as a trial lawyer. Beginning with the challenges of law school, to the struggles in a first legal job, to how he developed into an aggressive and highly successful trial lawyer, Stageberg minces no words. He tells of his experiences working with large law firms and then on his own as a sole practitioner, giving readers an inside look at the challenges and satisfactions that arise from practicing law in both arenas. Stageberg describes many true-to-life courtroom battles that rival the best fiction writers' trial stories. From litigation against the mighty Mayo Clinic to representation of a young Special Olympics athlete who was the victim of a violent assault, this narrative can be a most informative resource for attorneys, law students, and any interested reader.

Trial skills can be taught. They are taught in law schools and in trial practice courses all over the country. But the art of the trial cannot be taught. A lawyer either possesses it or does not. Mark Stageberg is a consummate courtroom lawyer. The tales he tells are great 'war stories' that trial lawyers like to swap after having a few. This is a good read, written by a great lawyer. --James M. Rosenbaum, United States District Judge (retired), District of Minnesota About the Author Mark Stageberg is a Minnesota attorney who has spent his career as a civil trial lawyer. He has been repeatedly recognized in the national directory, Best Lawyers in America. In 2002, his peers in the Minnesota bar voted him to be in the top 100 Super Lawyers. He has completed over 175 jury trials with million-dollar jury awards in seven cases including an eight-million dollar wrongful death verdict in Florida federal court. He continues to represent injury and wrongful death clients. Stageberg resides in Minnetonka, Minnesota, and is an avid outdoorsman.
