Jerry Kremer : Winning Albany: Untold Stories about the Famous and Not So Famous before purchasing it in order to gage whether or not it would be worth my time, and all praised Winning Albany: Untold Stories about the Famous and Not So Famous:

0 of 0 people found the following review helpful. Fun book! Great anecdotes! Good primer for how to get things done in the state capital.By pauline delapenhaThis is a delightful book. The reader is given straightforward insights into the

day-to-day world of politics in the state capital. You get a sensibility of how politics works and the practical approaches to getting things done. The anecdotes are endearing and memorable, especially the one where Nelson Rockefeller candidly advised Kremer that very few people say no to him for anything..0 of 0 people found the following review helpful. Unique PerspectiveBy Jennifer MuthigVery insightful book about how Jerry Kremer succeeded in Albany and how he continues to stay relevant. I found it very interesting to learn more about Jerry's story, especially the part about the race for Speaker. An great read for someone wants an idea of "how it is."1 of 1 people found the following review helpful. Fascinating take on state politics and an insiders perspectiveBy PoliticoFascinating read about state politics and a career politician. A breath of fresh air. Great read. Mr Kremer gives us an amazing inside look into New York State politics and how not much had changed in the power vacuum.

Jerry Kremer's journey from Long Island to Albany was "riddled with potholes and strewn with lucky breaks." The sponsor of more than 250 state laws including the "Lemon Law" for new car buyers, Kremer shares his lively encounters with the famous and not so famous, from Pope John Paul II to Phil Kohut, Robert Kennedy to "Uncle Pete" De Sibio. From his days as a cub reporter in Long Beach to the pinnacle of New York State politics as the chairman of the Ways and Means Committee, Kremer tells all. Come along for the ride of a lifetime.
