(author) Elizabeth L. Kamzina (author) Nikolay L. Kamzin : Writ as a Simplified Form of Civil Procedure (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Writ as a Simplified Form of Civil Procedure (Paperback) - Common:

The idea of the simplified production, the need in certain cases, the saving process is certainly positive, but translating this idea into reality is possible only if the reasonable balance of security and economy. Writ - a court order, while the executive document, passed by a single judge on the basis of an application to recover money or for the recovery of personal property from the debtor to ...
