Dian Tooley-Knoblett, Jeanne Louise Carriere, John Randall Trahan : Yiannopoulos' Civil Law Property Coursebook 9th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Yiannopoulos' Civil Law Property Coursebook 9th Edition:

0 of 0 people found the following review helpful. Civil Law Property Casebook. It is what it is.By PJHarrI bought this because I needed it for my first year law school course. Had I known then what I know now...I wouldn't have wasted my money on any casebook for any of my classes (would have just looked up the cases myself). Thankfully, this casebook was one of the more reasonably priced ones. Overall, it's fora law school Civil Law Property course. At the time, this was the edition I "needed," but I'm sure there's a newer edition out by now. If you buy a book like this, just make sure you go ahead and get the right edition.

Some highlighting throughout. Not much.
