Is it possible to be a judge and have a sense of humor too Judge Vanessa Gilmore shows us that the answer is a resounding yes In this humorous autobiographical collection of short stories Judge Gilmore reveals a glimpse of life

on and off the bench A master storyteller and a lover of all things funny Judge Gilmore would often regale her friends at parties with tales of her life When she related a story about a criminal defendant who was flirting with her as she took his plea and another who dressed as king during his trial her friends insisted that these stories could not be true This book shows us that life really is stranger and funnier than fiction From hilarious tales of flirting criminals and fighting lawyers to heart warming stories of time spent mentoring young girls we see it all through the eyes of a judge Vanessa found humor when a man in a restaurant insisted that she should stop saying she was a federal judge because it just sounded too far fetched and vindication when her young son asked if boys could be judges too This book will leave you laughing and asking if life as a judge can really be this much fun
