Caroline Ball, Kevin McCormac, Nigel Stone : Young Offenders and the Courts before purchasing it in order to gage whether or not it would be worth my time, and all praised Young Offenders and the Courts:

This mid-level, practical law text on all aspects of children and young offenders in criminal proceedings, is intended for those involved in all stages of juvenile proceedings. Each chapter includes quotation from, or reference to, statutory provisions, court rules, regulations, Codes of Practice, probation national standards, departmental guidance in circular and booklet form, and relevant literature. Full use is made of flow charts and diagrams to illustrate the points made. An historical perspective is incorporated on the development of policy on young offenders.
