Best 'All-In-One' Source of infoBy LiveSidewaysAfter reading several guides found through google, I was still left wildly confused about where to start the process. This book broke it down very simply in a great step by step kind of fashion.I'd feel completely comfortable recommending this to anyone looking to get through the green card system the legal way.Plenty of great information and resources; I'd recommend it

even if it cost 5 times as much! 1 of 1 people found the following review helpful. Herman Walters

This is absolute must buy for anyone thinking about becoming a citizen of the US. No other source has all of this information in one place. This book is a complete walk through on how the system works and what steps you need to take. I cannot express how great this book is... It has literally changed my life!!

Visa Lottery is one of the overlooked subjects in the immigration system. Every year, over 100,000 applicants are selected and receive United States Permanent Residency through the Lottery system. While there are numerous other books that describe various methods of obtaining green cards, or general ways of obtaining one, no book in the market currently goes over this subject in detail. This is the case while over 40 million people apply for Diversity Visa Lottery every year! In summary, the book provides detail overview and step-by-step process of the following: How to Apply for Green Card Lottery (Diversity Visa) for FREE! Be one of the first to check if you're the winner! Legally increase your chances - Up to five times Over 2 million applications are disqualified every year; how to avoid getting disqualified Why you should avoid agents in the Green Card Lottery Step by Step instruction from the very beginning to the very end along with snapshot and examples Time-saving tips and shortcuts Sample Interview questions and tips How to apply for the lottery whether you're outside of the United States or Inside Sample Immigration Filled Forms, Applications, Interview Guide, Tips, and Examples. How to Adjust Status if you are already inside the United States How to apply for work permit, and Social security number once you are a permanent resident. Getting Technical: Latest immigration laws, time-saving tips, and legal information related to Diversity Visa Lottery for attorneys and immigration professionals and as bonus: How to read Visa Bulletin; a guide that was available to lawyers only! Most people believe that they have to pay to agents to apply for the visa lottery; what they do not know is that with increasing number of fraudulent agents their applications may never get submitted through the United States Lottery Systems, and while agents charge to apply for the diversity visa, the application is entirely free by directly applying to United States Immigration Service! Millions of people apply for Diversity Visa Lottery every year and this is a very large audience that can take advantage of the information in the book. There are currently 2 other titles in the market that briefly go over the Diversity Visa Lottery; this is the case while the Lottery process is a complex one with many different factors to consider. This book explains the process from the beginning to the very end and has all the information that an individual needs to participate and achieve a permanent residency status in the United States. This is the only book that describes the Diversity Visa in detail along with sample forms and instructions. The book also goes over a phenomenon that individuals can use to increase their chances without getting themselves disqualified. The book also has advanced details for attorney or paralegals in appendix section.
